I would like to subscribe to the HWMH 200 Club. I understand that if there are spare numbers I will be allocated the first available. If there are no numbers in the current year my name will be added to the waiting list and I will be allocated a number on a first come basis as soon as a number becomes available. I also understand that the annual subscription is £10* per number usually payable in November for the following year, that the draw for winning numbers takes place on the second Thursday of each month, and that I will be notified either in person or by post if I hold a winning number.
